

**Kindergarten Enrichment Classes - Mon/Wed PM or Tues/Thurs PM (12:30 - 3:00) Ages 5 - 6**  
*Students in this class must be enrolled in a regular kindergarten program.*

Since Forest Lake Schools went to an every other day, all day kindergarten, Sunshine has offered a Kindergarten Enrichment class. The goal is to supplement the student's regular kindergarten program. Our classes will focus on reading, math, science and writing. Also included are music, art activities, and "Minnesota Moments." These classes will be limited to 16 students. There will be a mix of students from FL schools, Lakes International Academy, Montessori, and surrounding school districts. There has been a waiting list for this class in the past.

**Three day Pre-Kindergarten Class - Monday/Wednesday/Friday PM (12:30 -3:00) Ages 4 -5**  
*Students in this class must be eligible for kindergarten in the fall of 2009.*

This 3 day class is limited to 20 pre-kindergarten students. The curriculum will be similar to other classes with the addition of advanced books and activities that will be more challenging for these older students. The Friday class includes more academic skills that will help prepare your child for kindergarten. Several field trips and cooking projects are planned. Sometime during the year, each student in the class will be chosen to be a "Friday Friend." This class has been a popular option. We have had a waiting list to get into the class every year.

**All other students must enroll in a 2 day program first, then may choose from the Friday options to add a 3<sup>rd</sup> day.**

Our regular 2 day preschool classes are multiage. The alphabet, numbers 0 - 10, basic shapes and colors are introduced. There is a 3 year rotating thematic curriculum. If your child is a Sunshine student for 3 years, each year the themes will be different and new. Next year our fall theme will be animals! It is lots of fun.

**Monday/Wednesday AM (9:15 - 11:45) Ages 3, 4, 5**

**Tuesday/Thursday AM (9:15 - 11:45) Ages 3, 4, 5**

**Tuesday/Thursday PM (12:30 - 3:00) Ages 3, 4, 5**

**Friday options:**

**Friday AM (9:15 - 11:45) Ages 4, 5**

*Students in this class must be eligible for kindergarten in the fall of 2009.*

The curriculum for this class includes academic skills that will help prepare your child for kindergarten. Several field trips and cooking projects are planned. Sometime during the year, each student in the class will be chosen to be a "Friday Friend." They will make a drawing of themselves like those you may have seen displayed in our classrooms. This Friday option has proven to be a fun and beneficial time for pre-kindergarten students.

**Friday PM (12:30 - 3:00) Ages 3, 4, 5**

*Students in this multiage class may come from any 2 day AM or PM program.*

This class will be an extension of the themes taught in the two day class. Students will not do "Friday Friends." Only the pre-kindergarten students in this class will be invited to join the 3 day Pre-K class for field trips.
