January 23, 2008

Dear Parents of Preschoolers:

Enrollment for the 2008-2009 school year opens January 23rd. If you are interested in enrollment for fall, don't delay. Morning openings fill quickly. Registration forms will be dated as they are received. Priority will be given to current Sunshine students, their siblings, and former Sunshine families until February 5th. On that date registrations will be opened to the public and new students will be placed in the order they are received. A \$50 registration fee must accompany the registration form to be considered for placement. Tentative class lists will be posted on February 6th.

There are approximately 80 current students eligible to attend kindergarten in the fall. There are several families with younger siblings who will take some of those places. We have already had many requests for registration information. To assure the options, teachers or classrooms of your choice you need to enroll soon.

Registration information has been sent home with all of our current students. If your child is going to go to kindergarten in the fall, we hope that you will consider one of the K-Enrichment classes. If you have not yet made a decision regarding kindergarten, please reserve your spot at Sunshine. We will gladly refund your registration fee if your decision is made by April 15th. After that time we will make no refunds. Additional registration cards are available at our check in desks.

There is an informational meeting planned for Monday, January 28th at 6:00 pm to answer any questions you may have for next year's registration. Teachers will be there to give you an idea of what the curriculum will be for the various classes and to clarify anything that would help you in choosing classes for next fall. Children should not attend this session.

Although specific teacher assignments may change for next fall, you may have a request for placement with a certain teacher, car pool group, or siblings, please write a note on a separate piece of paper and staple it to the registration card. Every effort will be made to comply with your request. We do reserve the right to try to balance our class make up.

Parents are our best resource for the recruitment of new students. We have included a copy of our public announcement. Please pass the letter on to interested neighbors and friends. Additional registration cards are available at our check in desks. An open house for prospective students and their families will be February 18th from 6:00 to 8:00 PM. Anyone interested in a daytime visit to the classrooms can call for an appointment.

Please call if you have questions: Laura Kinney or Cheri Pederson at 651-464-5502

Sincerely,
Sunshine Preschool Staff
